

Off Road

Dirt Karting

Off-Road Go-Karting is about fun, with a good dose of adrenaline thrown into the mix.

The 200 metre long track is situated immediately behind the Ngwenya Glass Village in the Muldersdrift area which is close to Johannesburg (about **25 minutes from Fourways**), but far enough away for a relaxed country feeling.

Visitors are welcome to **bring your own food and drinks** or why not order from the neighbouring restaurants (Gilroys Brewery, Pub and Restaurant is a highlight with unique brews and live music).

The imported factory built karts are fitted with "fat takkies" and are powered by 200cc engines. The following packages are available:

- 8 laps (1,6Km) for R110
- 16 laps (3,2Km) for R200
- 24 laps (4,8Km) for R270

A complimentary warm-up lap is driven before each lap package/drive and the pit (final) lap is a complete lap of the track, so an extra 2 laps can be added to each of the lap packages.

NEED TO KNOW

Shaded tables and chairs are available trackside, with braai's available to use (bring along charcoal, braaing utensils, etc)

Helmets and neck braces are provided and we ensure hygiene is maintained through the provision of hair nets (mop caps).

The track is open from 9am to 4.30pm Saturdays, Sundays, and Public Holidays and by request during the week.

For groups of 16 or more, the Bachelor rides FREE!

DRIVE IT LIKE YOU STOLE IT
