

Beefcakes and Bus Party Night

This package is one of our bestsellers for good reason, it's memorable and fun, with safe transport, dinner and entertainment – what more could you need?

Our rocking mini bus will pick you all up from your designated meeting spot (we recommend a busy centre with a pub or cocktail bar for you all to safely park your cars and have a drink before departure).

Once at the legendary Beefcakes, a fantastic evening awaits: Great burgers with interesting toppings, beefy waiters with no toppings and raucous performances featuring Joburg's hottest drag talent – we make sure you get the full Beefcakes experience from the plate to the stage.
