## Sumo Suit Hire

Not many of us have the girth worthy of a Japanese wrestler, but you don't need to weigh in excess of 400kg to wrestle our way. One of our padded sumo wrestling suits will pile extra rolls of flesh onto your body in no time.

Tackle, dive, jump and bump your opponent out of the ring to be declared the ultimate winner. **Mix and match** the suits you want and have the **ultimate superhero / sumo showdown!**

You can either do a self collection (you will need either a bakkie or a large car with seats that fold flat) or we can quote you on collection and delivery.

### NEED TO KNOW

Hire includes 2 suits, 3m X 3m ground sheet/wrestling mat, gloves and helmet

**Suit Options:** Sumo, Batman, Superman or Hulk.

**Cost: R1,450**

Add on a 6m diameter, inflatable wrestling arena for an additional **R1,250.**

For an additional **R600** you get 1 x extra wrestling suit, matching gloves and helmet.
