

Crocodile River Tubing

Relax and enjoy the scenery as you let the current take you on a “Lazy River” journey downstream. Perfect for groups looking for a relaxed outdoor adventure experience, without using up too much energy so even the Oom’s can join in the fun!

Small rapids add the excitement, in between stretches of picturesque willow trees and slow-flowing waters.

Each group will be accompanied by an adventure guide, who is able to carry a cooler bag for those essential brewskies and refreshments to be enjoyed on the journey.

NEED TO KNOW

Each tubing attendee will receive their own tube that they will use to float approximately 2.5km down the crocodile river.

The entire trip takes between 90 – 120 minutes, depending on the water level of the river.

Just a stone-throw away from Lanseria airport, the base camp boasts the perfect destination to escape the hustle and bustle of the city, without having to travel too far.
